SWITCH KIT - INSTRUCTIONS

Thank you! We would love to be your bank! Switching over to Tri-County Bank is made simple by completing the following forms.

Simply complete, print and bring into any one of our locations. A customer representative will be happy to assist you with products that fit all of your financial needs.

1. Stop using your old bank account. You will need to leave sufficient funds in the account to cover all outstanding checks and automatic payments that have not cleared. You will also need to destroy any unused checks, deposit tickets, ATM and debit cards. Or you can bring them in with you and our customer service representative will shred them for you at no charge.
2. Switch your Direct Deposits. Complete the “SWITCH KIT - Change in Direct Deposit” form and give to your employer, retirement plan, etc. Attach a deposit ticket or voided check, after opening your account at Tri-County Bank. For Social Security direct deposit changes call 1-800-772-1213 or go to www.ssa.gov. If you have direct deposit through the military, visit [myPay](#).
3. Change in Automatic Payments. Complete the “SWITCH KIT - Change in Automatic Payments” form to change all automatic withdrawals or automated payment services. If you have more than one automatic payment, please print a new form for each of them.
4. Closing your old account. Send the “SWITCH KIT - Authorization to Close Account” form to your previous financial institution to close your accounts. After all of your checks have cleared they will send you a check for the remaining balance.

If you have any questions please stop into any of our locations or contact us at 800-346-0800.
